

## You Have The Choice to Select EBSCO to Manage Your SAGE Premier Package

WiLS members have the opportunity to renew their SAGE Premier E-Journal Package through EBSCO for the upcoming year!

EBSCO offers superior service for e-package management and access. EBSCO transacts almost 20,000 e-journal packages worldwide and will work with WiLS and your unique contract details for the SAGE Premier Package.

### EBSCO services work for you by:

- **Linking your users from EBSCOhost citations to full text with *Smartlinks+*** – Your patrons link seamlessly from citations in EBSCOhost databases to full-text on the SAGE Premier platform.
- **Customized Invoices** – Your invoice will come from EBSCO, and can be tailored to your needs: title-by-title or one line. EDI invoicing is also available.
- **Providing Online Management Solutions** – Reporting, alerts, and analysis that include your SAGE Premier titles are available through *EBSCONET Subscription Management*.
- **Streamlining Renewals** – Your collection can be viewed, worked, and renewed via EBSCO E-Package Renewals.
- **Maintain Correct Title Lists** – Title lists are reconciled and included in *EBSCONET* under E-Package Orders. Package changes are reported in real time to help you stay in control of your licenced titles.
